PROJECTS

E COMMERCIAL WEBSITE (SELLING OF TEA PRODUCTS)

 [link](#)  [link](#)

Created a complete responsive tea shop one page website design using HTML, CSS and JavaScript.

- This website contains header section with search box, navbar toggle and shopping cart box.
- With the help of CSS grid, I have created menu card section, products card section, testimonial section, contact form section and news card section.
- At the end, It has footer section.

WEBSITE

(HAIR SALON)

 [link](#)  [link](#)

This is a complete static website using HTML and CSS. On this website.

- Created the features section, services section with beautiful hover effect on image, then beautiful user review/testimonials UI design and website footer design with contact information and social media buttons on this website design.
- This website is completely responsive it means it looks perfect on all large and small screen devices.
